

# ASPiRE 2018

## Undergraduate Mathematics Conference

**Keynote Speaker:**

**Dr. Candice Price**

University of San Diego

**Advancing Student Participation in Research Experiences (ASPiRE)** is a conference that provides an opportunity for undergraduate and graduate students to present their research, network with others in their field, and be exposed to new topics.

Students interested in presenting a 15-20 min. talk or a poster should submit an abstract on the conference website before **January 20, 2018**.

[www.jaffarali.org/aspire](http://www.jaffarali.org/aspire)

**SATURDAY, February 3, 2018**

**8:00 am – 4:00 pm**

**Florida Gulf Coast University**

**Free Event**

**Travel Support Available**

**Lunch will be Provided**

All students are invited to attend, but registration is required by January 27, 2018.

Apply to attend at [www.jaffarali.org/aspire](http://www.jaffarali.org/aspire)

The conference is funded by the FGCU College of Arts and Sciences, McGinnis Educational Services, the FGCU Whitaker Center STEM Education, the FGCU Office of Undergraduate Studies, and organized with the support of the FGCU Department of Mathematics.
